Dear Client

The address for your session is 20-23 Woodside Place, Glasgow G3 7QL.

There is on street parking directly outside and a pay meter system is in operation. On entry to reception simply notify the receptionist that you are there to see Shaun Noteman if I am not there to greet you.

When using the booking system please ensure that you select the correct location if it gives you the option, this will give you access to the diary for Glasgow. Currently face to face sessions in Glasgow are limited to Wednesdays with additional days by prior arrangement only. I therefore suggest booking your sessions well in advance to secure any preferred time slots.

Sincerely,

Psychotherapist Counsellor Hypnotherapist
